CALL FOR PERSONNEL SELECTION N°-190- OF 06/07/2026

TO SELECT A COLLABORATOR TO WORK ON TECHNICAL/SCIENTIFIC ACTIVITIES

OF PROJECTS "5G4Mil-Phase 2"

CONSIDERING the *Regolamento recante disciplina per il conferimento di incarichi di collaborazione,* approved by the executive board on 22/1/2019;

NITEL posts

The present call for selection, through compartative procedure, of one collaborator considering the information in the following table.

Required degree	High school diploma and university studies.
Required Professional skills	Systems expert
Object of the contract	The activity is aimed to study both current and planned LEO satellite constellations in order to model physical context and system configurations for a possible integration with the extended 5G network designed in the 5G4Mil project. The activity will include: • State-of-the-art analysis; • Definition on the main features/parameters suitable for an emulation model; • Identification and comparison of Pros&Cons of the selected systems; • Analysis of the supported services • Editing of a technical report collecting all the above information.
Language	English (fluent written and spoken) is mandatory.
Projects	5G4Mil-Fase2 - 344
Funding entity	Ministero della Difesa NAVARM
Responsibles for NITEL	Prof. Michele Luglio
Supervisor NITEL	Prof. Cesare Roseti
Type of contract	Occasional collaboration
Start date	July 15, 2026
End date	October 15, 2026
Location	Rome
Gross total amount	€ 1.800
Payment plan	50% by 31 August 2026; 50% at the end of the activity

1. Procedures and terms for the submission of the application

The application must be submitted on plain paper, drawn up using the form available on the Consortium website (Application form and self-certification).

The application must be accompanied by:

- Copy of Identity card or passport;
- Detailed curriculum, drawn up in European format, dated, signed on all pages;

The above mentioned documents must be sent by email / pec to the following address **bandi@nitel.it**, **by 10:00 a.m. on July 13, 2026.**

2. Comparative evaluation of the candidates and selection commission

The comparative evaluation of the candidates will be carried out by a selection Committee appointed according to the above mentioned *Regolamento (Rules)*.

The selection will focus on the comparative examination of the following elements:

a) Required degree and professional skills;
b) Experiences already developed in the required sector and level of knowledge of the specific issues;
c) Any further specific elements of specialization to be proven with publications, studies etc (to be specified in the submission of the application).

The seclection commission reserves the right to convene candidates for an interview aimed at checking the competences on the activities mentioned in the object of the contract and at the discussion of the degrees presented.

The committee also reserves the right to view the titles and publications indicated in the lists.

The selection commission also reserves the right not to proceed with the assignment if none of the curricula received is considered qualified for the object of the call.

The evaluation committee at the end of the comparative evaluation procedure will draw up a list of all the candidates who will have reached at least the minimum grade (6/10) in order from the best.

NITEL will hire the number of candidates in order, starting from the best, consistently with the number of positions opened with the present call (1 in this case).

In the future, if NITEL should decide to open further positions for the same skills and professional characteristics or should the hired candidates renounce to the position, the candidates present in the list may be hired without repeating the evaluation procedure.

The evaluation procedure will be concluded **by July 14, 2026**. The publication on the Nitel website of the

list of all the candidates who will have reached at least the minimum grade (6/10) in order from the best, will take place no later than 5 days from the assignment date.

3. Privacy Policy

The personal data, provided from the candidates, will be processed in compliance with the Legislative Decree 30 June 2003 n. 196 and only for the obligations related to this procedure.

The privacy policy is published on the Nitel website at https://www.nitel.it/privacy/

4. Regulations

Foe any matter not expressively provided for in this call, refer to the laws and regulations in force.

NITEL

Il Presidente

Prof. Federico Rupi
